

Special Events

A variety of special events are organized every year. Some are held annually, while others change from year to year.

EMWC Spring and Fall Lunches: Held twice a year, the lunches allow women to visit with friends and meet other members in a relaxed atmosphere, all while enjoying a delicious lunch. Past speakers included Lois and Jim Hole and Jamie Sale and David Pelletier. Some years have also featured a fashion show.

Group travel: Local group travel has included a tour of Kalyna country and trips to rural farmer's markets. Another trip, further afield, featured a week enjoying the shopping and Broadway shows of New York City.

Fashion Shows: Some years, the EMWC organizes a fashion show in conjunction with its spring or fall lunch.

Chinese New Year: Organized by a member, this has become a very popular annual event to celebrate the Chinese New year.

Other Events: The EMWC tries to explore new things and share them with members. In the past Alice Major, Edmonton's poet laureate for 2008 gave a poetry reading.
